Abstract

People today realizes life at an ordinary level and materializes their thoughts as they say in a proverb: «we Have that, - that we have ... », which is based on habitual algorithm:

(my ↔ yours) - (the beginning → the end; the end → the beginning; the beginning → the end).

This is the formula of thinking for materialization of Ideas of Will, which on the essence have primary preference to the Material Beginning; they do not know that for All Exists - the Spiritual Beginning. By the Words of Truth it can be expressed in such a way: No¹⁴ Yes¹⁴ Personalities²⁰ Material⁴⁸.

(The expression for the numerical formula is - $14+14=28+20=48+48=96^*$)

Human Knowledge about ten-level planetary consciousness ordered as a numerical **matrix 69*/96*** by the words of Truth, generates infinite number of Ideas - Forms, which Develop⁴³ Spirituality⁵¹ of Materialization⁶⁰ of the Man - Creator. Such Mentality³¹ is realized on new algorithm:

**To love⁵⁶ ↔ To All¹⁰ Beginning¹⁰ ↔ To be⁷ Responsible⁸ the Whole⁸ Man –
↔Creator of Truth⁶⁹ of Absolut⁶⁹.**

So on the Earth on the basis of True morality and Spirituality⁵¹ of People³⁸, in interrelation with the Whole⁸, are materializing real essences according to Law²⁰ of Eternal⁶⁸ Harmony⁵⁴.

Developing these Knowledges²² the Man - Creator due to the God, to Individual⁴¹ Abilities⁴² Opportunities⁴² and making Efforts³² of Ideas⁶¹ of Will⁶¹ – Creates⁵⁷ **essential intellectual products** which essence is reflected in one or another Cosmoprogram.

An example of such Cosmoprogram useful for the first leaders of the states for their Self-realization³³ - can Be⁷:

**Open⁹ Spiritual⁵¹ - To develop⁴³ Nature⁴⁴ Gifts⁴⁵ - To increase⁴⁶ the Blessings⁴⁷
Material⁴⁸ Reasonably⁴⁹ - To receive⁶² Happiness⁶³ of Harmony⁵⁴ - To radiate⁶⁴ Light⁶⁵.**

The numerical formula of the given Idea-Form:

$$[(9+51) + (43+44+45) + (46+47+48+49) + (62+63+54) + (64+65)] = 690^*$$

** Numerical values should be understood as Cosmoprogram codes which correspond to resonant frequencies of Power-vibrations.*
